Liste de Matériel

- 1 section assemblé avec ensouple, tourillon et cliquet.
- 1 Manivelle
- 2 vis tête ronde 1/4" x 1" (de rechange)
- 1 tige de fer
- 2 baguette encroix
- 10 cordes à maillons 12"

To install on the loom, just remove one by one the 4 back post screws (T)(B) and insert the 4 second beam support.

Use the same screws for the top assembly and the 2 x 1/4" - 1" supply with the kit for the bottom one.

The loom can still fold with the second beam on but it will not fit inside the bag.
